

## Mackey Field Procedures

- **You will require the following equipment to set up Half 3 and Half 4 (for each field)**
- 6 x posts for marking corner points and half-way
- Field ID banners 3 or 4 and banner stakes
- 3 x benches for (coach/manager/player and referees) Technical Area
- 1 x Technical Area signs (yellow)

### Also required:

- 2 x Portable Half Field goals

## Half Field (U10 & U11) Set-Up

### Set-Up Activities:

Designated Home Team is to collect Half Field cart from the Storage Room on Richardson Cres. Move it to entrance of technical are between fields 3 and 4.

#### 1. Field Corner & Half-Way Posts:

Place 1 post into each field's corner points (4) and then place 1 post 1m back from the sideline at each end of the half-way line (2).

#### 2. Goals

**DO NOT** perform tight manoeuvres - the wheels **do not pivot**, and **ANY excessive force** will bend the wheel's axel. If required perform repeated forward and backward moves (like a 3-point turn).

2 adults min. per goal are required to move these into position:

- Seek Club official to unlock goals. Lock the chain and lock it to the fence.
- Raise the frame off the ground by lifting each (4) wheel's lever or swing the wheel around. Move the goals using wide turns, to get them into position.
- Align each goal post half-way with their on-field marker and lower the goal onto the ground (lower each (4) levers or swing wheels back).

## Mackey Field Procedures

### 3. Field Identification Banner:

Behind each Half Field goal adjacent to the path leading from Club House to Tempe railway station:

- Hammer the field banner stake into the ground (Field 3 is closest to the Club House, Field 4 is closest to Tempe Station)
- Place the appropriate Field ID banner onto the stake

### 4. Set up benches:

For your field set up two benches (one for each team) and 1 bench for the referees. Ensure:

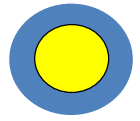

- the locking rings (3) on each bench are slid all the way down the support stay
- the red catch switch is set to lock

### 5. Technical area signage:

Fold *Technical Area - Players, Coaches and Managers ONLY* (yellow) sign so the red writing is facing out.

Place sandwich board at both entrances to the technical area (refer field diagram)

### 6. Leave Half Field cart adjacent to the Technical Area (closest to pathway)

## Mackey Field Procedures

### Half Field (U10 & U11) Pull-Down

Commence Pull-Down activities after last game – irrespective if it ends at different time to the other Half Field game.

#### 1. Pull-Down Activities:

Place into the Full Field cart:

- **Field posts** - Collect all corner and half-way flags (6)
- **Field Identification Banner** - Collect field ID banner (1) and separate from banner stake. Do not pull the banner apart.
- **Technical Area Sign** - Collect board and fold the sign over so the red writing side faces inwards (yellow back faces outwards)

#### 2. Goals:

**DO NOT** perform tight manoeuvres - the wheels **do not pivot**, and **ANY excessive force** will bend the wheel's axel. If required perform repeated forward and backward moves (like a 3-point turn).

**2 adults min. per goal** are required to return these into their stored position by the tall black wire fence adjacent to Richardsons Crescent:

- Ensure each (4) wheel's lever is raised so the goal's frame is off the ground.
- Move using wide turns, wheel the goals to their storage area

#### 3. Garbage Bins

Collect all rubbish and return garbage bin to fence under Canteen awning

#### 4. Return Half Field Cart

Confirm with the other *Half Field Pull-Down* team who will return Half Field cart to Club House
